OFFICIAL FIRE LEVY BALLOT

Election to authorize additional levies for the fiscal years beginning July 1, 2017, July 1, 2018, July 1, 2019, July 1, 2020, and July 1, 2021, in the approximate amount of $717,579 annually, net of allowances for discounts, delinquencies, exonerations, and the assessor's valuation fund for the following purposes:

Fire station construction and maintenance; building and grounds maintenance; vehicle acquisitions, replacements, repair and maintenance; acquisition of firefighting equipment; construction and maintenance of training facilities; utility expenses; insurance fees; telecommunication services and equipment; and office equipment for six (6) volunteer fire departments of Lewis County over a five (5) year period.

The total approximate amount necessary to carry out the above purposes is $717,579 annually, net of allowances for discounts, delinquencies, exonerations, and the assessor's valuation fund or a total approximate amount of $3,587,895 for the five-year levy period, all according to the order of The County Commission of Lewis County entered on February 22, 2016. The additional rate of levy in cents upon each $100 valuation on each class of property shall be as follows:

Upon Class I Property	2.25 cents
Upon Class II Property	4.50 cents
Upon Class III Property	9.00 cents
Upon Class IV Property	9.00 cents

In the event the separate and aggregate assessed value of each class of taxable property within the County increases during the term of the special excess levy, the levy rate shall be reduced so that the projected tax collection will not exceed $717,579 in any fiscal year. The County Commission of Lewis County reserves unto itself as the levying body the right and authority to reduce the additional rates of levy if increased assessments would produce funds beyond projected needs in any year specified in the levy call.

In the event The County Commission of Lewis County shall obtain additional money by grant or otherwise from the state or federal government, or from any agency of either, or from any other source, for the purposes aforesaid, such additional money may be used either in substitution for, or in addition to, the sums obtained from such additional levies as The County Commission of Lewis County may from time to time determine.
